shall not be a Member, unless they have obtained record title to the Homesite by foreclosure or deed in lieu of foreclosure.

Section 2. Change of Membership. Change of membership in the Association shall be established by recording in the Public Records of Marion County, Florida, a deed or other instrument establishing a record title to a Homesite in The Properties. The Owner designated by such instrument thus becomes a Member of the Association and the membership of the prior owner is terminated. The new Owner shall notify the Association and Declarant of the recording of the deed or other instrument establishing record title and shall furnish the Association and Declarant a certified copy of such instrument.

ARTICLE VI

Covenants for Maintenance Assessments

Section 1. Purpose of Assessments. The assessments levied by the Declarant shall be used in the sole and absolute discretion of the Declarant for the purpose of promoting the recreation, health, safety and welfare of the residents in Oak Run; constructing, maintaining, operating, repairing and replacing improvements on the Common Areas and Recreational Areas; enforcing the Covenants and Restrictions; and for the maintenance, operation, repairing and replacing of properties, services and facilities which have been constructed, installed or furnished, or may subsequently be constructed, installed or furnished, which are devoted to the purpose and related to the use and enjoyment of the Common Areas and Recreational Areas including, but not limited to, the payment of taxes, and insurance thereto, on the Common Areas and Recreational Areas, and repair, replacement and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof. The assessments shall also be used for maintaining the lawns and landscaped areas of the Common Areas and Recreational Areas, and for all utility costs including electricity, water, gas and telephone used in connection with the foregoing, garbage and trash collections, twenty-four hour security service, cable television reception service, and an exclusive closed circuit Oak Run television channel, and for road and drainage facilities, repair and maintenance. The assessment may also provide reasonable reserves for deferred maintenance and replacements, for construction of Common Areas, Recreational Areas, and shall also be used as a means of enforcing compliance with these restrictions.

Section 2. Assessments. Each Owner of any Homesite by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, hereby covenants and agrees to pay to the Declarant:

(1) a annual assessment payable in advance in equal monthly installments on the first day of each month. Such assessment shall be for any costs and expenses relating in any way to any of the items described in Section 1 above other than for road and drainage (which is subject to a specific assessment as described in subsection (3) below).

(2) special assessments that the Declarant deems appropriate for violations of the Declarations and damages resulting therefrom as provided in this Declaration.

(3) roads and drainage assessments, such assessments to be fixed, established and collected from time to time for the maintenance and repair of the roads and drainage areas and facilities of the Common Areas in perpetuity. These funds will be deposited in an interest-bearing escrow account and will be withdrawn by Declarant in its sole and absolute discretion only

for the maintenance and repair of any and all such roads and drainage areas.

The Declarant shall not be required to pay any assessments whether annual, special or road and drainage easements, for any Homesites or any other property it owns in Oak Run. The Declarant shall instead be obligated to pay costs and expenses properly incurred in excess of amounts collected from Owners other than the Declarant for regular annual assessments.

All such assessments, together with such interest thereon and costs of collection thereof including, without limitation, reasonable attorneys' fees incurred by the Declarant incident to the collection of such assessments whether or not judicial proceedings are involved, and appeals, if any, shall constitute a continuing lien upon the Homesite against which each such assessment is made. Said lien shall be effective from and after the time of recording a claim of lien in the Public Records of Marion County, Florida, and the lien shall continue in effect until all sums secured by the lien shall have been fully paid. Upon full payment, the party making payment shall be entitled to a recordable satisfaction of lien. Each such assessment, together with interest thereon and cost of collection, including without limitation, reasonable attorneys' fees incurred by the Declarant incident to the collection of such assessment whether or not judicial proceedings are involved, and appeals, if any, shall also be the personal obligation of the person who is the Owner of such Homesite at the time the assessment is due and payable. No assessments may be offset by any claims by any Owner or the Association against Declarant for any reason.

Section 3. Delinquent Assessments. If any annual assessment or installment thereon is not paid within thirty days after the due date, a late fee may be charged by the Declarant, and the Declarant may accelerate the remaining installments of the regular annual assessment for that calendar year which otherwise would not be due, and declare the entire assessment as to that delinquent Owner due and payable in full as if the entire amount was originally assessed. Interest shall accrue on any unpaid assessment whether or not accelerated, at the highest rate allowed by law. Accounts delinquent in excess of sixty days or those twice delinquent more than thirty days may be charged for the annual assessment for the next calendar year in advance and shall be subject to the same collections, lien and foreclosure proceedings as otherwise provided for herein. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Areas, the Recreational Areas, or abandonment of his Homesite.

Section 4. Rights of Declarant to Collect Delinquent Assessments. Liens for assessments may be foreclosed by suit brought in the name of the Declarant in like manner as a foreclosure of a mortgage on real property. The Declarant may also sue to recover a money judgment for unpaid assessments against the Owner personally obligated to pay same without waiving the lien securing same.

Section 5. Method of Setting Annual and Road and Drainage Assessments. The annual assessment may be initiated, increased and decreased by the Declarant after considering current construction, operation, maintenance and repair costs and expenses and estimated future construction, operation, maintenance and repair costs and expenses. The annual assessment for each Homesite in Oak Run shall be \$588 per annum, payable in advance in equal monthly installments of \$49 per month on the first day of each month until January 1, 1988. Thereafter, the annual assessment or charge for providing the above services, may be adjusted in a sum equal to the percentage of the increase or

decrease in the Consumer Price Index, averaged out for the preceding twelve (12) month period. The Consumer Price Index referred to herein shall be the Consumer Price Index, U. S. Average of Items and Foods, published by the Bureau of Labor Statistics of the U. S. Department of Labor.

Road and Drainage assessments shall be determined, paid, collected and enforced in identical fashion to the annual assessment, provided however that the assessment thereof shall be \$60 per annum, or \$5 per month for each Homesite until January 1, 1988.

Section 6. Special Assessments. Special assessments may also be collected and enforced as provided in Article XV.

Section 7. Certificate of Assessment Liability. Upon demand, the Declarant shall furnish a certificate in writing signed by an officer of the Declarant to any Owner liable for an assessment. The certificate shall state whether said assessment has been paid and shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8. Allocation of Assessments Among Homesites. The allocation of annual, road and drainage assessments, (but not special assessments incurred as a result of violation of the Declaration, Articles of Incorporation and By-Laws) shall be set so that all Homesites shall be assessed at an equal rate, except the Declarant shall not be required to pay any assessments for the Homesites it owns.

Section 9. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charges and liens created herein:

(a) Any parcel of property which serves as an easement or which is dedicated and accepted by a local public authority and devoted to public use.

(b) All Common Areas as defined in Article I, Section 1(b), and all Recreational Areas as defined in Article I, Section 1(j).

(c) All portions of The Properties owned by the Declarant or in which the Declarant has an interest.

ARTICLE VII

Architectural Review Board

Section 1. Composition of Architectural Review Board. The Declarant, acting in its own name shall constitute the Architectural Review Board (referred to herein as "ARB"). At such time as Declarant in its sole and absolute discretion shall determine, Declarant may in lieu of continuing to serve as the ARB, create a committee which shall thenceforth be and constitute the ARB. In the event a member of such committee resigns or becomes unable to serve thereon, the Declarant shall appoint his or her successor.

Section 2. Review by Architectural Review Board. In order to enhance, maintain and preserve values of The Properties and all Living Units and Homesites located therein, and subject to Section 8 below, no building, fence, wall, or other structure or improvement (including landscaping) shall be commenced, painted, erected or maintained upon The Properties, nor shall any exterior addition to or exterior change or alteration be made to any previous improvement on a Homesite nor shall any awning, canopy, shutter, or antenna be attached to or placed upon outside walls

or roofs of buildings or other improvements, until the plans and specifications showing the nature, kind, shape, height, materials, color selection, and location of the same shall have been submitted to and approved in writing as to harmony of exterior design and location in relation to surrounding structures and topography by the ARB and until the ARB has received assurance acceptable to it that any damage to the Properties as a result of such additions or alterations will be repaired in a timely fashion. The ARB shall review such information to determine harmony of exterior design, color and location in relation to surrounding structures and topography. Development must be one story provided the criteria of the ARB are met. The ARB may condition its approval of proposals and plans and specifications as it deems appropriate, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The ARB may also issue rules or guidelines setting forth procedures for the submission of plans and specifications submitted for its review as it deems proper including, without limitation, floor plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors. Upon receipt by the ARB of any required plans and specifications, the ARB shall have thirty days after delivery of all required materials to approve or reject any such plans, and if not approved within such thirty day period, said plans shall be deemed rejected. The ARB's approval or disapproval as required in these covenants shall be in writing. All changes and alterations shall also be subject to all applicable permit requirements and to all applicable governmental laws, statutes, ordinances, rules, regulations, orders and decrees.

Section 3. Approval Not to be Construed as Waiver. The approval by the ARB of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the ARB, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whatever subsequently or additionally submitted for approval or consent.

Section 4. Architectural Review Board Expenses. The members of the ARB shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

Section 5. Inspection by Architectural Review Board. Inspection of work and correction of defects therein shall proceed as follows:

(a) Upon completion of any work for which approved plans are required under this Article, the Owner shall give written notice of completion to the ARB.

(b) Within thirty days thereafter, the ARB or its duly authorized representatives may inspect such improvement. If the ARB finds that such work is not effected in substantial compliance with the approved plans, it shall notify the Owner in writing of such noncompliance within such thirty day period, specifying the particulars of noncompliance. The thirty day period shall not commence to run until the ARB receives from the Owner, a notice of completion. The ARB may in its discretion inspect the improvements while the same are being made or constructed or upon completion and notify the Owner of noncompliance even if the Owner has not given the ARB notice of completion.

(c) The ARB, if it is composed of other than the Declarant, shall simultaneously, upon notifying the Owner, notify the Declarant in writing of the noncompliance and, if so, the nature

thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, as determined in the sole and absolute discretion of Declarant, the Declarant shall notify the Owner to remedy or remove the same within a period of not more than forty-five days from the date of delivery to such Owner of notice of the Declarant's determination of noncompliance. The Owner shall be obligated to comply with such notice, and if the Owner does not comply with such notice within such period, the Declarant, at its option, may either remove the noncomplying improvements or remedy the noncompliance and the Owner shall reimburse the Declarant after delivery by Declarant to the Owner of written notice thereof for all expenses incurred in connection therewith. If such expenses are not paid by the Owner to the Declarant within fifteen days of such notice, the Declarant shall levy a special assessment against such Owner for reimbursement.

(d) If for any reason the ARB fails to notify the Owner of any noncompliance within thirty days after receipt of said written notice of completion from the Owner, the improvement shall be deemed to have been made in accordance with said approved plans.

(e) If an Owner does not obtain the approval of the ARB as provided herein, and proceeds to make any improvements on a Homesite which require ARB approval, the ARB upon actual discovery of such improvements may within thirty days of such discovery approve them as being in accordance with the requirements for approval, or the ARB may within said thirty day period notify the Owner in writing of the noncompliance of those improvements. The ARB shall then proceed as is provided in Section 5(c), Article VII.

Section 6. Limitations on Architectural Review Board Liability. Neither the ARB, including without limitation the Declarant when acting as the ARB, nor any member thereof, nor the Association shall be liable to any Owner or any other person or entity for any loss, damage or injury arising out of or in any way connected with the performance or nonperformance of the ARB's duties hereunder, unless due to the willful misconduct of a member and only the member engaging in such willful misconduct shall have any liability in such event. The ARB shall review and approve or disapprove all plans submitted to it for any proposed improvement, alteration or addition solely on the basis of aesthetic considerations and the overall benefit or detriment which would result either in the immediate vicinity of such Homesite or to The Properties in general. The ARB shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety, warranty of design, or conformance with building or other codes.

Section 7. Variances. The ARB may authorize variances from compliance with the architectural provisions of this Declaration when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations require. Such variances must be evidenced in writing. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matters for which the variances were granted. The granting of such a variance shall not, however, operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting his use of the

premises including, but not limited to, zoning ordinances and set-back lines or requirements imposed by any governmental or municipal authority, nor to obtain a similar variance from other architectural committees having jurisdiction.

Section 8. Exemption of Declarant. The Declarant shall be exempt from the provisions of this Article VII and all subparts thereof with respect to improvements, alterations and additions which Declarant determines to make in The Properties and this shall be so whether said improvements are to the Living Units and Homesites or are in relationship to the Common Areas.

Section 9. Attorneys' Fees and Costs. For all purposes necessary to enforce or defend or construe this Article, the ARB, and the Declarant shall be entitled to collect reasonable attorneys' fees, costs and other expenses from the Owner whether or not judicial proceedings are involved, and such amounts shall constitute a lien against the Owner's Homesite enforceable as provided in Section 5(c) of this Article.

Section 10. Landscaping. The ARB shall approve all plans for landscaping of any Homesite, prior to the Owner planting any shrubbery, trees or plants on any Homesite in The Properties. Owners may, however, replace dead shrubbery or add additional shrubbery within existing landscaped areas, without prior approval. Lawns shall be comprised of grass sod. No artificial shrubbery, trees or other artificial vegetation or landscaping shall be permitted. All landscaping shall be regularly mowed, trimmed or otherwise maintained in good condition at all times by Owner. No excessive weeds or unsightly undergrowth or brush shall be permitted. All hoses which are used for watering shall be stored by Owner out of view by the general public except when being used during those hours specifically prescribed by the rules and regulations as those allowed for sprinkling.

Section 11. Window and Air Conditioning Units. No window or wall air conditioning units shall be permitted to be placed in a Living Unit. No Living Unit shall have aluminum foil placed in any window or glass door, or any reflective substance placed on any glass, except as may be approved by the ARB for energy conservation purposes.

Section 12. Drilling. No private wells or septic tanks will be allowed except as may be approved by the ARB.

Section 13. Awnings, Canopies and Shutters. No awnings, canopies or shutters, including hurricane or storm shutters, shall be attached or affixed to the exterior of any building unless such awnings, canopies or shutters have been approved by the ARB.

Section 14. Swimming Pools. Any swimming pool to be constructed on any Homesite shall be subject to the requirements of the ARB which include, but are not limited to, the following:

(a) Composition to be of material thoroughly tested and accepted by the swimming pool industry for such construction.

(b) All pool screening material shall be of a color in harmony with the exterior of the Living Unit. No raw aluminum color screen or frames will be allowed. All exterior aluminum frames must be white in color.

The Declarant, in its sole discretion, shall determine the need for replacement and/or improvement of landscaping, lawns and shrubs.

(b) Private Roads, Walkways, Parking Areas and Paths. The Declarant shall maintain and repair all private roadways, walkways, parking areas, paths and drainage areas, if any, throughout The Properties. In the event any such roadways, walkways, parking areas, path or drainage areas are damaged as a result of the negligence of an Owner, or his family, guest, licensee, invitee, or tenant, the Declarant may repair or replace such damage and demand reimbursement from such Owner by delivery of written notice thereof. All such structures shall be attached to the Living Unit, it being specifically intended hereby to prohibit all free standing structures and additions. Nothing contained in this Declaration shall preclude the Declarant or its agent or employees from maintaining offices on a Homesite or elsewhere in The Properties for the purposes of promoting the sale of Homesites and Living Units within The Properties and for purposes of the operation and administration of Oak Run and any other activities allowed to Declarant under this Declaration, and Declarant and its agents and employees shall have access to and use of the Common Areas and Recreational Areas to facilitate such sales. Declarant may, in its sole discretion, set lawn and shrubbery watering times for all Homesites in Oak Run. In the event the Owner of any lot fails to do so, the Declarant reserves the right to enter upon said lot and care for the same by cutting and/or cleaning said lot, and shall deliver written notice to such Owner demanding reimbursement for the cost of such care. The Declarant may charge a reasonable fee for the storage and/or parking of the aforementioned vehicles, trailers, motor homes, boats and trailers in the designated parking areas. Said fee, if unpaid after fifteen days from written notice delivered by Declarant to the Owner therefore shall be assessed as a special assessment by Declarant under the provisions of Article XV and shall become a lien against the lot of the Owner of said vehicle, enforceable as provided in Article XV. The parking and storage of automobiles shall be limited to the driveways of Homesites and other areas specifically designated by the Declarant. All vehicles must be parked on the concrete driveway of the Homesite. No vehicle may be parked on any right of way. No more than two automobiles may be parked on any Homesite at one time. If any person, firm or corporation, or other entity shall violate or attempt to violate any of the provisions of the Declaration, By-Laws, Articles of Incorporation, or any Rules and Regulations, it shall be lawful for the Declarant, (a) to prosecute proceedings for the recovery of damages against those so violating or attempting to violate any such provisions; or (b) to maintain a proceeding in any court of competent jurisdiction against those so violating or attempting to violate any such provisions for the purpose of preventing or enjoining all or any such violations or attempted violations, or any other equitable relief. Should the Declarant be required to enforce or defend the provisions hereof, its reasonable attorneys' fees and costs incurred, whether or not judicial proceedings are involved, including the attorneys' fees and costs incurred on appeal of such judicial proceedings, shall be collectible from the party against whom enforcement is sought. In any proceedings by the Declarant against an Owner, collection of such attorneys' fees may be enforced by any method in this Declaration providing for the collection of an annual assessment or special assessment including, but not limited to, a foreclosure proceeding against the Owner's Homesite. The remedies contained in this provision shall be construed as cumulative of all other remedies now or hereafter provided by law. The failure of the Declarant to enforce any covenant or restriction or any obligation, right, power, privilege, authority or reservation herein contained, however long continued, shall in no event be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation thereof occurring prior to or subsequent thereof.

Section 2. Special Assessment In addition to all other remedies provided in this Declaration, the Declarant, in its sole and absolute discretion, may levy a special assessment upon an Owner for failure of the Owner, his family, guests, agents, lessees, licensees, invitees tenants or employees, to comply with any provision in this Declaration or the Articles, By-Laws or any rules or regulations, including without limitation the rules and regulations of the Recreational Areas and the Common Areas and the failure to pay to or reimburse Declarant for any sums owed by Owner to Declarant under these Declarations, provided that the following procedures are followed:

(a) The Declarant shall notify the Owner of the infraction or infractions. Except in the case of a violation for failure to pay to or reimburse Declarant for sums owing by Owner to Declarant, for which the special assessment may be levied after fifteen days written notice delivered by Declarant to Owner, included in the notice shall be a date, time and place where the Owner shall present evidence as to why the special assessment should not be imposed.

(b) The noncompliance shall be presented to the Declarant at the time and place provided in the notice, at which meeting a hearing shall be conducted for purposes of obtaining evidence as to the levying of a special assessment in the event that it is determined that a violation has in fact occurred. A written decision of the Declarant shall be submitted to the Owner not later than thirty (30) days after the hearing, after which if Declarant so determines that a violation has occurred, a special assessment may be levied by Declarant.

(c) For each occurrence of a violation, the Declarant may impose a special assessment in any amount not in excess of \$5,000.00 against the Owner of the Homesite in the event a violation is found.

(d) A special assessment as provided in this Article shall be due and owing not later than ten (10) days after the written decision as provided in subsection 2(b) above

(e) Any special assessment levied in accordance with this Article may be enforced by the Declarant in the same manner as the enforcement of a regular annual assessment provided for in Article VI of this Declaration, including placing a lien on the Owner's Homesite and foreclosing same.

Section 3. Invalidation. The invalidation of any provisions or provisions of the Covenants and Restrictions in this Declaration by judgment or court order shall not affect or modify any of the other provisions of said Covenants and Restrictions which shall remain in full force and effect.

Section 4. Notice. Any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as Member or Owner on the record of the Association at the time of such mailing.

Section 5. Restriction on Use of Recreational Facilities. In addition to all other remedies, an Owner, his tenants, invitees and guests may be barred from the use of the Recreational Areas for any failure to comply with these Declarations, but such barring shall not suspend the obligations of such Owner to pay all outstanding expenses due hereunder.
