FEBRUARY IN OAK RUN: A LOVE STORY

February arrives in Oak Run like a cozy chapter you don't want to skip. The mornings are cool enough for an extra sip of coffee, the afternoons stretch out just right for a walk, and everywhere you look, there's a quiet reminder that this is a place people truly care about. February, after all, is the month of love. And while Valentine's Day may get the spotlight, Oak Run has its own version of romance year-round: love for community, love for the easy pace, love for the home you've built here.

There's something special about how Oak Run hums along this time of year. The snowbirds are settled in, the calendars are full, and there's a gentle buzz of activity everywhere you go. Club meetings, card games, fitness classes, golf carts zipping by with friendly honks—it all blends into a familiar rhythm that feels a lot like home.

And speaking of home...February also has a funny way of making people reflect. Maybe it's the quiet moments. Maybe

PRESIDENT'S CORNER

Welcome to the New Year Oak Runners! And as this happens to be election time; this will be my last article as 2025 ORHA President.

Primarily, I want to thank the Board members who worked so diligently this past year with me. Their dedication to Oak Run residents is second to none.

Next, I want to thank the Standing and Service Committees for the many fun and educational events they worked so hard to bring to our residents throughout this year.

And finally, a huge thank you to the many volunteers who did the challenging work in making sure those events came to fruition and saw to it our residents learned, laughed, and danced their way through 2025.

I hope you all have had an opportunity to meet those volunteers who are candidates for your 2026 ORHA Board; they are a group of highly energetic individuals who truly have our community's best interests at heart. Please do your best to come out and vote on January 10th or see Marie Govan for an absentee ballot and make this election year one to remember.

In signing off, I wish each of you the happiest, healthiest new year yet.

Linda Skowronski
2025 ORHA President

it's the heart-shaped everything. But this is often when residents start thinking about what they love most about their space—and what they might want to change.

Some are perfectly content, knowing they've found their forever spot. Others are dreaming just a little: a different floor plan, a new view, a place closer to friends, or a home that better fits this next chapter. There's no right answer—just the freedom to choose what feels best now.

So as February unfolds, take a moment to enjoy the little things that make Oak Run special. And if a change of scenery—or a new chapter in your home—has been on your mind, we're here to make the process easy and rewarding. Let's work together to find your perfect fit or get the most from your current home and turn your next Oak Run move into a story worth sharing.

Until next month,
Carol Newman

(OTHERWISE KNOWN AS THE DETAILS!)

IMPORTANT INFO BEFORE YOU DIG!

You know when you get out into your yard (when the weather is nice, of course) and you start to pull your weeds and trim up your bushes, and that one pesky little root seems to get the best of you? So, you let that root know who's boss and you whack it, only to find out that was actually the wire to your house providing internet and other digital services? Now, you have no internet service, etc. because you let that old spring fever get the best of you, making you think you had to cut that pesky little root right now!

Periodically, we at DECCA Digital Solutions remind you to please **CALL BEFORE YOU DIG** and periodically, no matter how much we try to remind our customers, we still get a number of service calls related to wires to the home (what we call "drops") that are cut. There is no reason not to call 811 first, it is a **FREE SERVICE** that will locate all of your services. All you do is dial 8-1-1 and answer a few simple questions, like what type of work is being done, the address of the location having work done, etc. It's **EASY!**

Please remember, it is your property and you are ultimately responsible for any damages done to any utility company's lines, not the contractor, so make sure the locate has been done prior to the work. To locate the service lines is **FREE**, but a cut wire is **NOT!**

Remember, a quick phone call (to 8-1-1) can save you in the long run, so can a quick phone call to our office, if you have any questions. Our Solutions Guides are ready to help you and answer questions; just call the office at 352-854-3223. We hope that the new year has started out great for you; for all those who are reading this and our customers, we are appreciative of you and thankful for your business. For all those that are not currently our customers reading this, we hope 2026 is the year you will give us a chance.

Sunshine NEWS

Happy Healthy New Year everyone. If you made New Year's Resolutions, please include keeping in touch with neighbors and/or friends that may need your help, a phone call or card to cheer them on.

Unfortunately, we lost a few friends and neighbors over the holiday. Sympathy cards were sent to the family of Betty Lemke, Kelly Claiborn upon the death of her husband Tom and to Don Clark, whose wife Gretchen passed away. Our prayers are with you all.

A get-well card was sent to Rick MacNaughton, who unfortunately, spent Christmas in the hospital. Hoping you'll be home to bring in the New Year.

If anyone knows or hears of someone that is ill or passed away, please let me know. Thank you.

Genealogy CLUB

The Genealogy Club invites anyone curious about their ancestry to join us on the third Friday of every month from 9:30 AM to 11 AM in the Orchid Club Card Room. Bring your questions and leave with tools to uncover your family story.

This February 20th, we're excited to present "Treasures from Time: Reviving Old Photos," led by John Morin from the Photography Club of Oak Run.

Discover how digitizing and enhancing your old family photos can preserve them forever, make them effortless to share with loved ones, post online, or turn into creative projects. John starts at the beginner level: scanning faded or damaged prints with simple tools, sharpening clarity and restoring color with free apps, and even colorizing classic black-and-white images.

You'll see stunning before-and-after examples throughout the demonstration. Everything is hands-on, jargon-free, and fun—just pure modern magic for bringing family history back to life.

Mark your calendar for Friday, February 20th—we'll work together and find creative solutions to enhance our pursuit of family history. Dues for 2026 are \$6.00.

Golf Central

Now that we have the Holiday Season behind us, it is the time to start enjoying some golf, and the weather most of us have come to Florida for. The golf course is in amazing shape thanks to Pam and her staff. One tip I will give for all the golfers is that if you are looking to break 100, or 90, or even 80, start with improving that short game. You can save yourself a bunch of shots when you can get up and down, after missing the green on your approach shot.

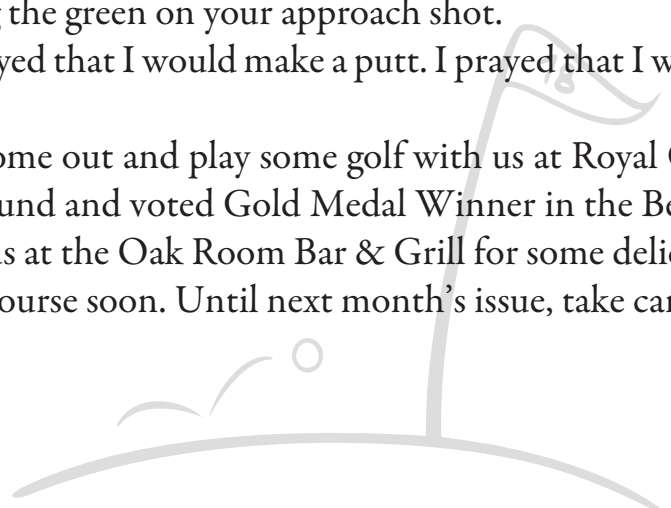

Chi Chi Rodriguez once said: "I never prayed that I would make a putt. I prayed that I would react well if I missed".

Please invite your friends and family to come out and play some golf with us at Royal Oaks Golf Club. See why we are the best Club around and voted Gold Medal Winner in the Best of the 352 Contest!! Stop afterwards and visit us at the Oak Room Bar & Grill for some delicious food and beverages. I hope to see you at the course soon. Until next month's issue, take care.

Club elections are behind us, and the 2026 election season is now underway. Your Republican Club is committed to providing the information you need to make informed decisions about candidates and issues.

Our goal this year is to host a series of forums and invite all Republican candidates running for office. Candidates will present their platforms, followed by moderated questions.

- February will be an open meeting for the club.
- March will feature the County Commission forum.
- April will focus on the remaining Republican candidates in the race for Florida Governor.
- May will be dedicated to the School Board forum.
- On Saturday, June 20, we are hosting a special celebration honoring the 250th Birthday of America's Independence.
- July will feature the Judges Forum.
- At the August meeting, we will review the primary election results and discuss the issues that will appear on the November ballot.

This will be a full year, your participation at meetings is essential to staying informed.

Please remember that the mission of your club is to keep you informed about candidates and issues. Throughout the year, we will post updates and information on our website at <https://oakrunrepublicanclub.org>, and we strongly encourage you to use it as a resource.

We meet in Palm Grove on the second Monday of the month at 7pm. For more information come on out or call Tom Cernera at 352-812-5297.

Line Dancing!

Come join our fun family of line dancers! We dance to all types of music using new and classic line dances! We laugh and have a great time with friends! Line dancing is a one of the best forms of exercise! There are three levels of classes to choose from starting with AB (beginner) on Tuesdays 9:30-10:30 AM at The Orchid Club. The next level up from that is the High Beginner on Tuesdays from 10:45-11:45AM also at The Orchid Club! The next more challenging level is Improver level on Thursdays from 10:30-11:30AM at The Palm Grove. With each class, you will receive emails with the links to the step sheets and videos of the dances before the class if you want them to prepare or practice at home. Line dancing is one of the best activities for physical and mental health. Learning new patterns helps our memory. We encourage variations! Come join the fun! For questions contact Joe Spencer at joeship1@yahoo.com or join the Line Dance Ocala Facebook page!

GIVE BACK TO THE COMMUNITY

Open your hearts and share your talents and time by giving back to the community. Come join us in doing just that... GBC meets on the 2nd and 4th Thursday of each month from Noon to 3:00 p.m. at the Island Club. Our mission is to serve our local community by providing various necessities to a number of Marion County charitable organizations. GBC assists the local vets; homeless; foster care children (from babies to teens); the elderly in nursing homes; as well as cancer and Hospice patients. You don't have to sew or knit to help out; there are many other tasks, such as cutting fabric, ironing, tying quilts, stuffing pillows, filling personal needs bags, etc. Whether you are a member of GBC or not, you can still support the cause by donating items such as fabric, thread, sewing accessories, yarn, blankets, vinyl table clothes, sleeping bags as well as personal toiletries (e.g. combs, deodorant, toothpaste, toothbrushes, etc.). For more information, contact Diane Church at 352-873-3471.

ROYAL OAKS *Lady Niners*

Between Mother Nature's reminder that winter does indeed come to Florida, and our ladies' preference for temps a little higher than the low 40s, mixed with a holiday month of guests and travel, our report will be a bit slim.

On 12/11, we enjoyed our annual Christmas Scramble and Ho-Ho-Ho Party. Lorraine Guay and Vicki Ellin excellently arranged it with cooperation from many helper elves. Vicki opened her beautiful home for the after-party. The team of Sue Conner, Kim Hessel, Lorraine Guay, and Vicki Ellin took first place. Sparky Arbuckle, Mary Kay Farrell, Patty Waddell, and Tina Gibson were second.

On the 18th, only a few warmly dressed swingers braved the wind and temps. Nancy Hersey tied for first with Chris Orndoff, and Kerry Tims regained her standing as our closest-to-the-pin pro!

The last Thursday was Christmas, so everyone shared e-cards and text messages of holiday cheer with one another.

Looking Back and Ahead

As we close out 2025, we're reminded that golf is more than a game. It's the laughter, the friendships, and the shared moments that make every round special. Even when the weather cooled and schedules filled, we found ways to stay connected and celebrate together.

Here's to a New Year filled with sunny skies, smooth swings, and plenty of time on the course with friends who make it all worthwhile. May 2026 bring us more birdies, more one-putts, more smiles, and more memories that remind us why we love being part of the Royal Oaks Lady Niners.

Pinochle CLUB

We continue to see our numbers grow to where we may be considered a crowd, but we can always use a few more. It's single deck on Monday nights at 6:30pm and double deck on Fridays at 12:30pm. It's 50 cents to play on Monday and \$1 on Friday. All money goes back out to the top 2 finishers. Both days are at the Island Club. Hope to see you there.

DIDYOUKNOW?

The highest grossing movie of all time is a love story. The movie that made the most money of all time was the historical romance Titanic which brought in \$659 million total at the domestic box office. Well, it held the title of highest-grossing until Avatar came out twelve years later.

The Upper Midwest Club proudly presents "The Vintage Vixens" in concert on February 11th, 2026 at the Palm Grove Club.

The Vintage Vixens are an Atlanta, Georgia band of 5 women, attired as hippies, who will bring back memories of the 1960's! And they are Vintage aged so you will relate to them!!! The show is lively, including songs you'll remember the words to but aren't often played by major bands. And they will engage the audience. They are talented and an absolute hoot!

Tickets go on sale on Monday, February 2nd at the Orchid Club from 9-11 a.m. Price is \$15/pp Members, \$25/pp non-members.

In March, our ever popular "Night at the Races" returns on March 11th at the Orchid Club. It's a festive atmosphere as the horses enter the "stretch" and it's down to the wire for the horses and the bettors gathered are whooping and hollering for their horses! Tickets for everyone are \$5/pp and bring your own shareable, BYOB, cup. They go on sale on Monday, March 2nd from 9-11 a.m. at the Orchid Club. CYA there!

Lace has a romantic meaning. Lace can be seen all around on Valentine's Day, from ribbons to gift boxes. Well, the word itself has an origin befitting the holiday: the English word "lace" comes from the Latin word for "snare", as in you ensnare someone's heart. Put that in your next Valentine's Day card!
