## SOCIAL MEDIA: PAUSE, VERIFY, AND COMMUNICATE

Social media platforms such as Facebook and Next-door can be wonderful tools for connecting with neighbors, sharing community events, and keeping in touch. However, information posted on these sites is not always complete or accurate. A misunderstanding, rumor, or personal opinion can quickly be shared as fact, creating unnecessary confusion and conflict within the community.

Before reacting to or sharing a post, please take a moment to consider whether the information came from an official and reliable source. If you have questions or concerns involving community operations, facilities, maintenance, policies, security, or homeowner matters, please contact Oak Run Associates, Ltd. or the Homeowners Board of Directors, whichever is appropriate. This allows the correct organization to confirm the facts, explain the situation, and address the concern through the proper channels.

Correct information from Oak Run Associates, Ltd. can be found at [www.oakrunflorida.com](http://www.oakrunflorida.com) or on the official Oak Run Associates, Ltd. Facebook page.

Information from the Homeowners Board of Directors can be found at [www.orhaocalafl.com](http://www.orhaocalafl.com) or on its official Facebook page, ORHA-Ocala-Official.

Here are a few helpful reminders:

- Pause before responding to or sharing information.
- Do not assume everything posted online is accurate.
- Avoid personal attacks, name-calling, or arguments.
- Contact Oak Run Associates, Ltd. or the Homeowners Board of Directors directly to verify information.
- Refer to the official websites and Facebook pages for confirmed updates.
- Remember that online comments can affect your neighbors and the overall spirit of our community.

Everyone has the right to express an opinion, but we also share a responsibility to communicate respectfully. Social media should bring neighbors together—not create division or unnecessary drama.

When in doubt, ask questions and verify the facts with Oak Run Associates, Ltd. or the Homeowners Board of Directors. A respectful conversation can often resolve an issue before it grows into something larger. Together, we can help keep Oak Run a positive, informed, and welcoming community.

## IT'S NOT ABOUT THE LISTINGS

One of the things we enjoy most about working in Oak Run is the conversations. Whether we're at an open house, the Farmers Market, or simply chatting with neighbors, we hear a lot of great real estate questions.

Most people ask practical questions:

**"Should I remodel before I sell?"**

Only if the updates will help attract more buyers or prevent your home from being overlooked. Not every improvement pays for itself, which is why local market knowledge matters.

**"How long will my home take to sell?"**

That depends on pricing, condition, location, and marketing. Every home is different, even within the same neighborhood.

**"Do I really need to use a Realtor?"**

Buying or selling a home is one of the biggest financial decisions most people make. Having someone who understands the local market, contracts, negotiations, and the process from start to finish can make all the difference.

Then there are the questions people don't ask out loud:

**"Does it matter who I choose?"**

We think it does.

At DECCA, we've never measured success by the number

of listings we have. We measure it by the number of people we help reach to the closing table.

Each month, Oak Run's title transfer report tells an interesting story. While DECCA may not always have the largest share of listings, we consistently participate in more successful closings than any other brokerage serving our community.

Why?

Because real estate is about so much more than putting a sign on the mailbox.

It's about honest advice—even when it's not the easiest conversation to have. It's about transparency, realistic expectations, and keeping clients informed every step of the way. It's about answering the phone, returning calls, and communicating with everyone involved, from lenders and inspectors to title companies and even fellow Realtors.

Every successful transaction has two sides. We've always believed that strong relationships and professional collaboration lead to smoother closings and better experiences for buyers and sellers alike. That's why you'll often see us celebrating and congratulating agents from other brokerages. We know that when real estate professionals work together, our clients are the ones who benefit.

## PRESIDENT'S CORNER

It's hard to believe that in a few short weeks, summer will be over and we'll enter fall and hopefully cooler weather, although I'm not counting on it. For this month there are a few significant events, the Ambassador's Summer Dance on the 12th, the Farmer's Market on the 16th, and the Ambassador's While Elephant on the 26th. And there is always Bingo each Tuesday evening. Other things to do in September include checking out and signing up for the three Facebook/Meta pages directed and controlled by the Oak Run Homeowners Association. They are ORHA-Ocala-Official for Official Board announcements, meeting notices, policy updates, emergency information and other official ORHA communications; ORHA-Happenings-Official for community events, club activities, recreational programs, and information about what's happening throughout Oak Run; and ORHA-Town Square-Official as Oak Run's community discussion group where residents can ask question, comments, suggestions, and concerns directly to the Board. These are the only Facebook groups recognized by the ORHA Board of Directors as official Association communication groups. Accordingly, all future official communications will be distributed exclusively through these groups and other Board-authorized communication channels. We encourage everyone to join these new groups to ensure they receive accurate and complete official information.

### *It's Not About The Listings ~ continued from page 2*

So, if you're ever wondering what to look for when choosing a Realtor, look beyond the advertisements and ask a different question:

Who will communicate honestly? Who will be transparent? Who will work tirelessly to get me to the closing table?

Those are the qualities that have guided DECCA from day one, and they're the reason we're proud to be part of so many successful closings in Oak Run. Whatever your real estate questions may be, please feel free to stop by either of our offices or give us a call at 352.854.8787 where there is an agent on duty 7 days a week!

*Until next month,*

# ***Golf Central***

I am always asked if I give lessons, and the answer is Yes. I have been teaching golf for over 30 years to all skill levels. This month's article I thought I might offer up some tips on how to become a better chipper of the golf ball. I hear it often, that a golfer will miss a green and can't get up and down to save par. I have played with all types of golfers and the most common errors seem to stem from a poor setup. Most golfers will have the tendency to put more of the weight on their back foot (right foot for righty players), and lean back to try to help get under the ball to get it in the air. This will lead to either hitting the ground behind the ball or blading the ball causing it to run across the green to the other side and having to chip again. Try making these few minor changes in your setup to eliminate the bad habits. First play the ball back in your stance a little more than normal (righty golfers will have ball position a little right of center, closer to right foot). Next, place about 60% of your weight on your front foot (righty golfers will be their left foot). Lastly, press your hands a little forward of the ball at address. All three of these setup adjustments will promote more of a descending blow into the golf ball to create backspin and get it airborne. If you need more help with your chipping email me at [golfpro@deccahomes.com](mailto:golfpro@deccahomes.com) to schedule a lesson.

Please invite your friends and family to come out and play some golf with us at Royal Oaks Golf Club. See why we are the best Club around and consistently at the top of the Best of the 352 Contest!! Stop afterwards and visit us at the Oak Room Bar & Grill for some delicious food and beverages. I hope to see you at the course soon, until next month's issue take care.

## ROYAL OAKS LADY NINERS GOLF LEAGUE

Unfortunately, this heat wave has wreaked havoc on our ladies' interest in playing. There has been only one official game since July 2nd.

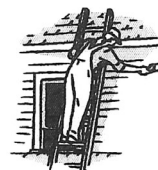

On July 2nd, we celebrated an early 4th of July; we played "Red, White and Blue." The colors represent the tee boxes we could drive from. Maureen Edwards took first place with firecracker bright play, and Sue Olmos followed in second, happy to keep the patriotic theme going. While there were no chip ins or closest to the pin winners, Sue Conner kicked things off with a beautiful Birdie on #10 — the kind of early pop that felt like the first sparkler of the holiday. It was a nice morning, a fun round, and a cheerful but extra warm warm-up to the Fourth.

We had 6 hearty swingers on the 16th going for Low Putts. Sheila Foster and Karen Tice tied for first. Sheila made a nice chip-in on #1, and Chris Orndorff duplicated that effort on #6.

Keeping our fingers crossed for cooler temps!

## Upper Midwest CLUB

Welcome to the UMC "Calendar Update". It may only be September, but the road to Christmas and beyond has been paved.

Mark your calendar. Starting in October, our fall "Run for the Foliage" (Nite at the Races) will be October 21st, with ticket sales October 12th. November 18th brings the sounds of Southbound, this time with tributes to the likes of Linda Ronstadt, Shania Twain and The Eagles. These tickets will be sold on November 9th. Wrapping up our year on December 2nd with a double treat. We are pleased to have the dining experience of Oakwood Smokehouse and the entertainment of Treasure Trio. Get your tickets on November 23rd.

A sneak peek into 2027, welcomes new and returning members to our kickoff event on January 13th with a Roy Orbison/Rickey Nelson Tribute Concert, tickets January 4th. Our Valentine event, February 10th will feature the Sounds of the Four Seasons. Tickets for this show will be on February 1st.

Yes, that's a lot to digest at one sitting, but as each event draws closer, the UMC "Calendar Update" will update. Watch for information in the Gazette, Citizen and all the usual places!!

## Sunshine NEWS

July has been extremely hot all over the US. I'm assuming everyone is taking care not to get overheated and staying hydrated.

I haven't been informed of neighbors and friends being ill or passed away this month.

I am asking that the Neighborhood Reps please keep in touch with folks in your neighborhoods as to health and passings. A card will help lift spirits and extend sympathy and caring to those in need.

I did hear that Donna Topp passed away this month and sent a card to her family, along with our sympathy and prayers. Please extend prayers and well wishes to Gary Behrens, who is having health issues and is facing numerous tests.

Thank you,

## DIDYOUKNOW?

In 2009, Congress also named 9/11 a National Day of Service and Remembrance. People are encouraged to honor the victims and first responders through volunteer work and community service.

## Art CLUB

ACOR artists are filling their September casual days painting everything to hats to cardinal birds, to a "paint around" .... Whaaa ??? A Paint Around? What is a "Paint Around"??

Answer: A "Paint Around" is a popular event. Five of our members will each bring in a drawing and have 10 minutes to begin painting their sketch. Then it moves to the next artist, and the next, each following artist adds to the work until it finally returns to the original artist. The fun is to see how each artist adds his/her special touches to complete the painting. Join us at 9:30 on Wednesday, September 16 at the Island Club. Come and see the end results.

ACOR meets every Tuesday and Wednesday morning from 9:30 to 11:30 at the Island Club. You may paint on your personal artwork or join in our casual days' inspiration. To learn more, check out our website at [acor.club](http://acor.club). Annual membership is \$10 and the benefits are many.

## GIVE BACK TO THE COMMUNITY

Give Back to the Community meets on the 2nd and 4th Thursday of each month from Noon to 3:00 p.m. at the Island Club. In September we celebrate Labor Day, and it is truly a "labor of love" for the GBC members to continue to help Marion County citizens in need. We make a myriad of items for a number of Marion County charitable organizations, such as the local vets; the homeless; foster care children (from babies to teens); the elderly in nursing homes; as well as cancer and Hospice patients. If you'd like to participate, please consider joining this worthwhile club. Don't sew or knit? That's okay, there are many other tasks that need to be done such as cutting fabric, ironing, working on quilts, stuffing pillows, filling personal needs bags, etc. You can also help by donating items such as fabric, thread, sewing accessories, yarn, blankets, vinyl table clothes, sleeping bags, and coats as well as personal toiletries (e.g. combs, deodorant, toothpaste, toothbrushes, etc.). Feel free to stop by one of our meetings to see what we are all about. For more information, contact Diane Church at 352-873-3471.

## CERT OAK RUN

CERT Oak Run is partnering with CERT Marion County to provide valuable emergency-preparedness classes for Oak Run residents. Oak Run clubs and organizations are invited to sponsor one of the following programs:

Active Shooter and Terrorism Awareness – Learn to recognize potential threats, respond to a violent incident, call 911, and react when law enforcement arrives.

Hands-Only CPR and AED Awareness – Learn to recognize cardiac arrest, perform chest compressions, and use an automated external defibrillator (AED).

Stop the Bleed – Learn to control life-threatening bleeding using direct pressure, wound packing, and a tourniquet.

Storm Preparation and Emergency Readiness – Learn how to prepare your household for hurricanes, tornadoes, power outages, evacuations, and other emergencies.

## Democratic CLUB

The Democratic Club of Oak Run meets the third Thursday of each month at the Orchid Club. Following a social time at 6:45 PM the meeting begins at 7 PM. Each meeting usually has a speaker oriented to local topics. September's scheduled speaker is Eric Cummings, presently a candidate for our local school board. Each meeting always allows for questions and comments from the audience. This will also present a good opportunity for open discussion of post-primary results.

This is a great opportunity to get involved in Oak Run's democratic club, and get information on State, SW 200 HWY corridor, and Marion County Democratic activities. Club attendance continues to expand. Although all are welcome, if attendees want to join the club annual dues are \$10.00 per person. For more information contact Gary Greene, GRG@yorkspeach.com. publicity coordinator for the Club.

A constant theme of meetings is "As a Democrat in Oak Run, you are not alone!!"

## GENERAL ELECTION

Dear Oak Run Residents,

In preparation for the 2027 Oak Run Homeowners Association (ORHA) General Election, we have assembled a dedicated Election Committee committed to ensuring accuracy, transparency, and integrity throughout the election process. It is with great pride and conviction that I introduce them to you: Jackie Wright, Mike Sutton, Tony Picone, Ellen Jeffrey, and Joan Forde.

On Election Day, January 9, 2027, four seats on the Board of Directors will be up for election, each with a two-year term of office. The ballot will also include two Neighborhood Representatives for each neighborhood. This is an opportunity for engaged residents to step forward, share their expertise, and help enrich the future of our vibrant, ever changing community.

We are seeking candidates who are not only committed volunteers, but also ambassadors for our lovely community. Ideal candidates will represent and respect the diverse voices of all our residents, promote inclusive activities, and encourage intergenerational engagement. While working with other Board members, they should demonstrate a commitment to building relationships, working cohesively while respecting differences, and fostering a sense of belonging and purpose for everyone.

If you are ready to lead with energy, vision, and heart, please consider submitting your nomination this fall. Together, we can continue building a community that serves and celebrates its residents, guided by a Board that proudly reflects that mission. Prospective candidates should submit a statement of interest, along with a brief biography of no more than 200 words, directed to ORHA Nomination Chair Mike Sutton. Nominations may be submitted by email to MikeSuttonORBoard@gmail.com between October 1 at 12:01 a.m. and November 30 at 5:00 p.m. Please note that timing is important, as candidates will be listed on the ballot in the order in which nominations are received.

For more information, contact any Election Committee Member or visit our website at orhaocalafl.com.

Thank you for your consideration, interest and all that you do to enhance Oak Run!

*Sincerely,*  
*Linda Walters*  
*Election Chair*

## AN IMPORTANT NOTICE TO OUR DECCA DIGITAL SOLUTIONS SUBSCRIBER COMMUNITY!

A “Gentle Reminder” regarding our Truck Roll Service Calls: If experiencing trouble with your services, we always encourage you to call us first, because many times we can reset the service remotely from our offices free of charge. After exhausting all attempts to correct the situation remotely, there ARE times in which our technician has to come to your house on a Truck Roll Service Call. Unfortunately, we estimate that over the past several years or so, we have incorrectly charged for Truck Roll Service Calls – and in many cases, did not charge AT ALL. Like every other Digital Services business in our industry, we are now charging appropriately to mobilize both our trucks and our highly trained Service Technicians to your home. If you were one of those customers who got free service calls - you lucked out! But as the saying goes, all “good things” do come to an end and we thank you for your understanding!

We are truly thankful you have chosen DECCA Digital Solutions as your cable, hi-speed internet and/or digital phone provider! We value your business and we remain deeply committed to providing high quality Digital Services at excellent and affordable prices! If you have any questions, please do not hesitate to give us a call at 352-854-3223, or email us at [deccacablecsr@deccacable.com](mailto:deccacablecsr@deccacable.com).
